

A GUIDE TO FOCUS ANALYTICS PACK ONE

☀ 5 data areas

- Attendance & Enrollment
- Discipline
- Assessment
- Student Demographics
- System Usage

☀ 40+ dashboards including:

- General Data Dashboards
- Trends
- School Comparison
- Student Comparison
- Student Correlation
- Data Breakdowns
- Influences
- Maps

☀ Also includes a School Daily Snapshot

General Data Dashboards

☀ View your data visually in interactive dashboards!

☀ Dashboards included:

- Daily Attendance
- Period Attendance
- Enrollment
- Tardy
- Discipline Referrals
- SESIRs
- Test Scores
- FSA Tests
- EOC Tests
- College Readiness
- Demographics
- Student & Parent Logins
- Scheduled Jobs

Daily Attendance Dashboard Example

Student Correlation and Comparison

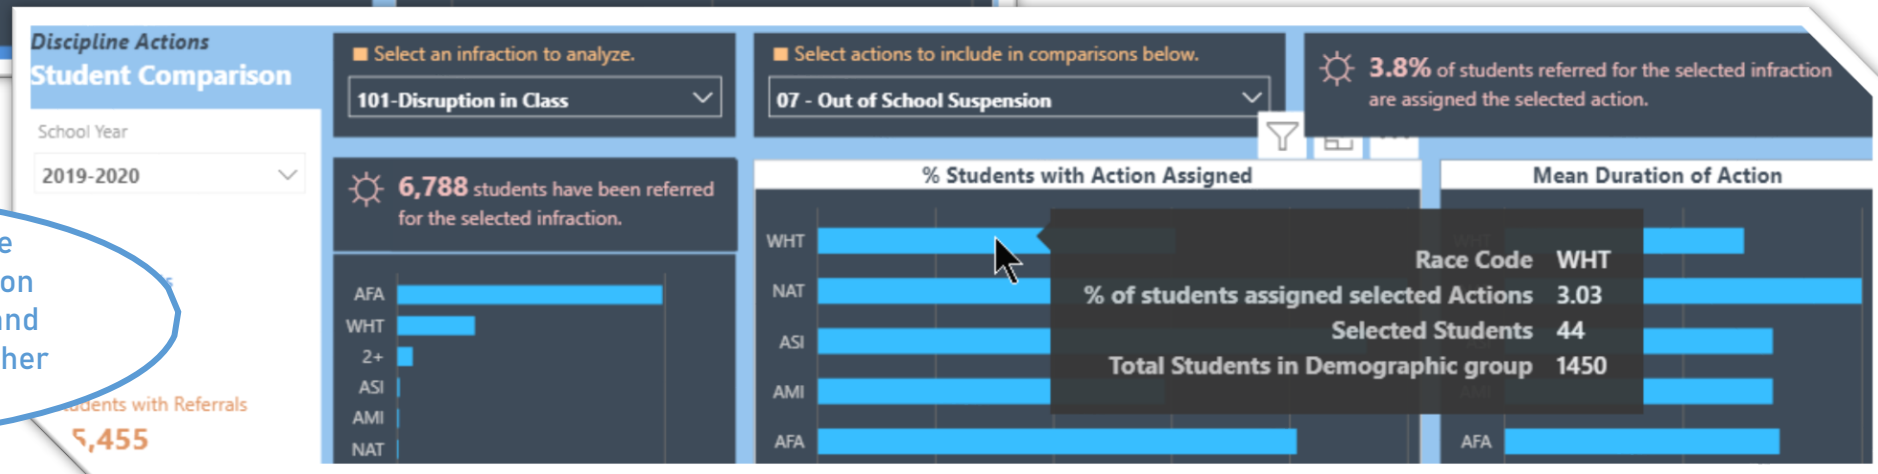

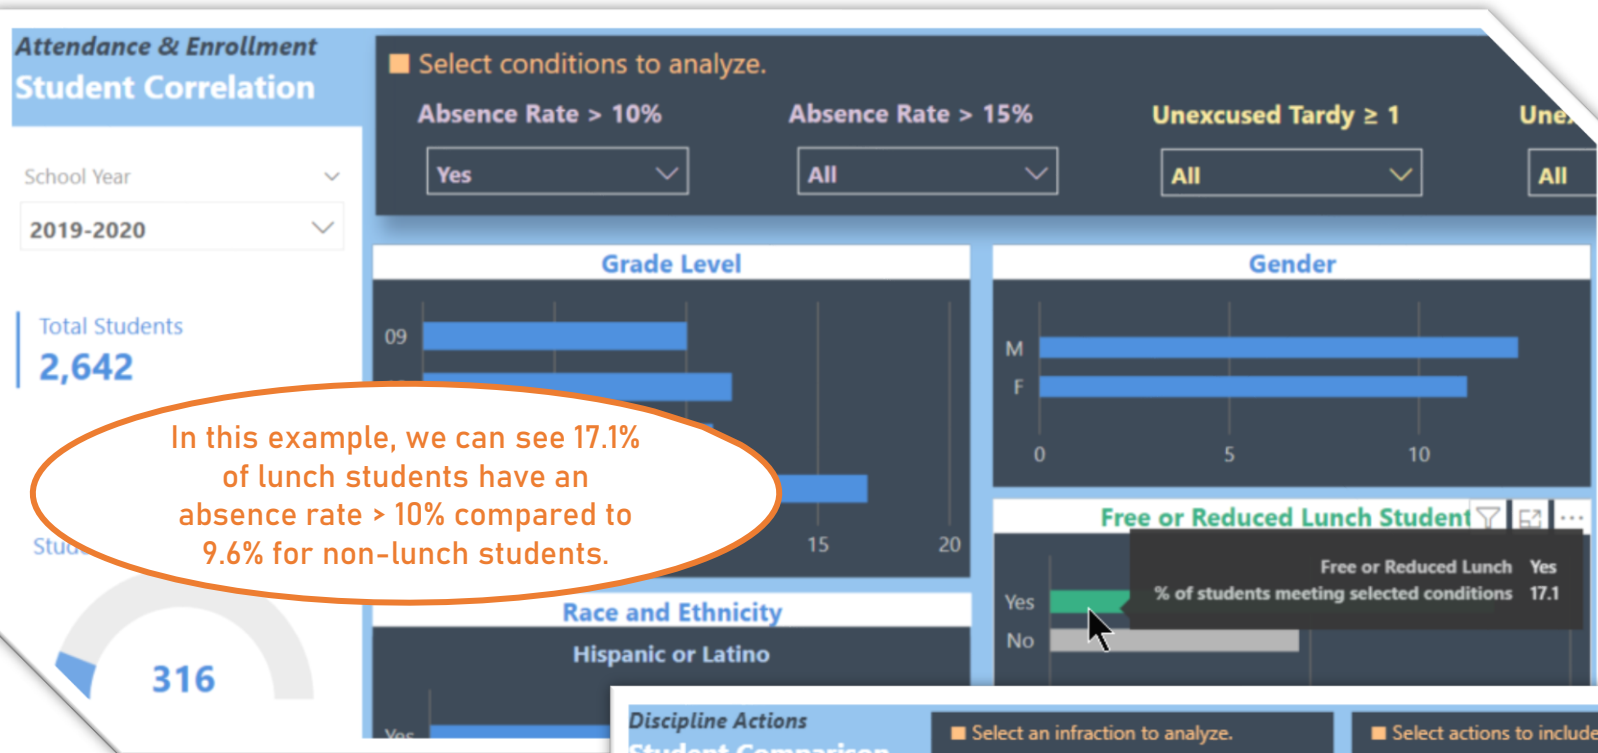

☀ Evaluate students by demographics!

☀ Correlations included:

- Absence Rate > 10%
 - Absence Rate > 15%
 - Tardy ≥ 1
 - Tardy ≥ 5
 - In-district Transfers ≥ 1
 - College Ready
 - FSA & EOC Performance
- For each content area: Math, Reading, and English*
Pass rate, gains made, and L25 score

☀ Comparisons included:

- Attendance Rate
- Discipline Referrals
- Discipline Actions
- Test Scores
- Student & Parent Logins

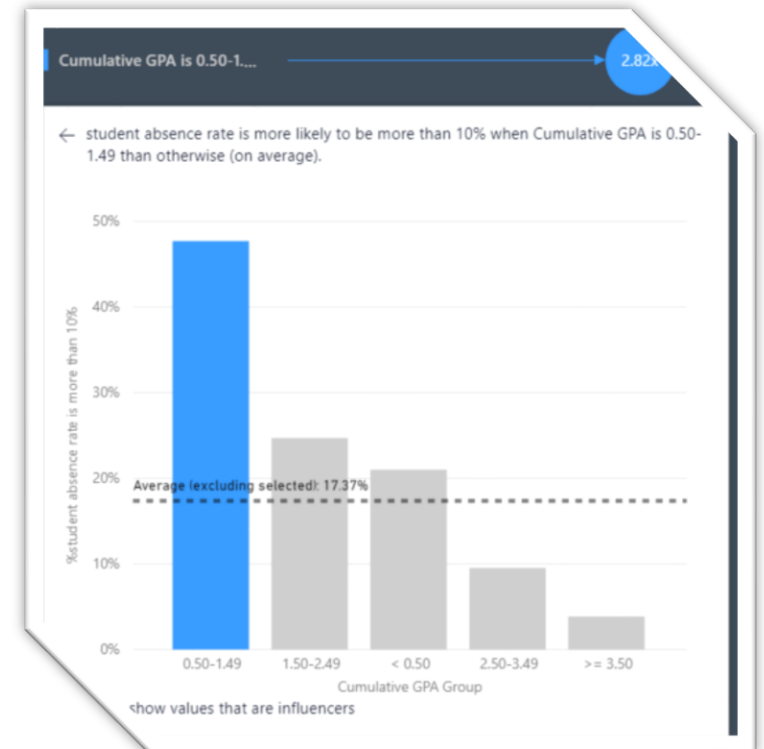

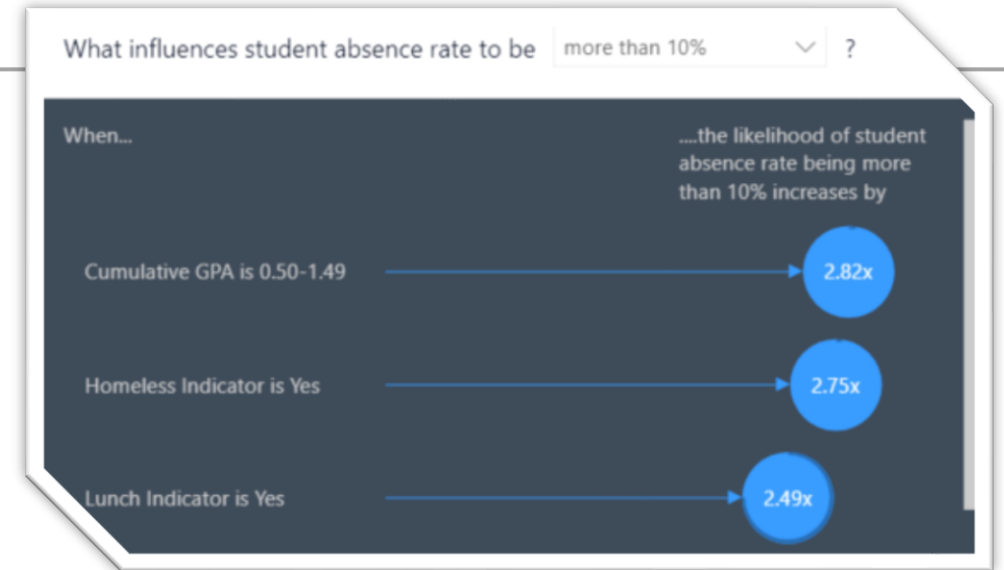

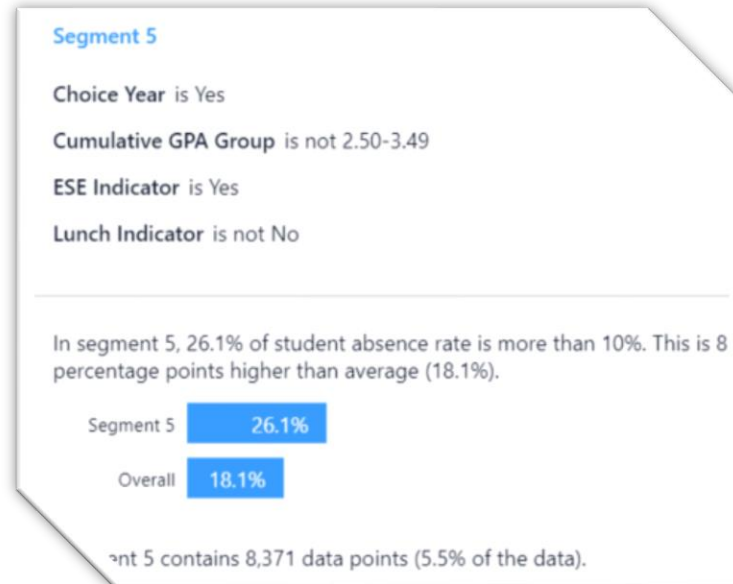

☀ Determine what is influencing your data!

☀ Influences included:

What influences a student...

- to have an absence rate of more than 10%?
- to have 1 or more in-district transfers?
- to have a discipline referral?
- to be assigned OSS?
- to earn a passing score on an FSA or EOC test?
- to make gains on an FSA test?
- to earn an L25 score on an FSA or EOC test?
- to be college ready?
- to have a parent login?

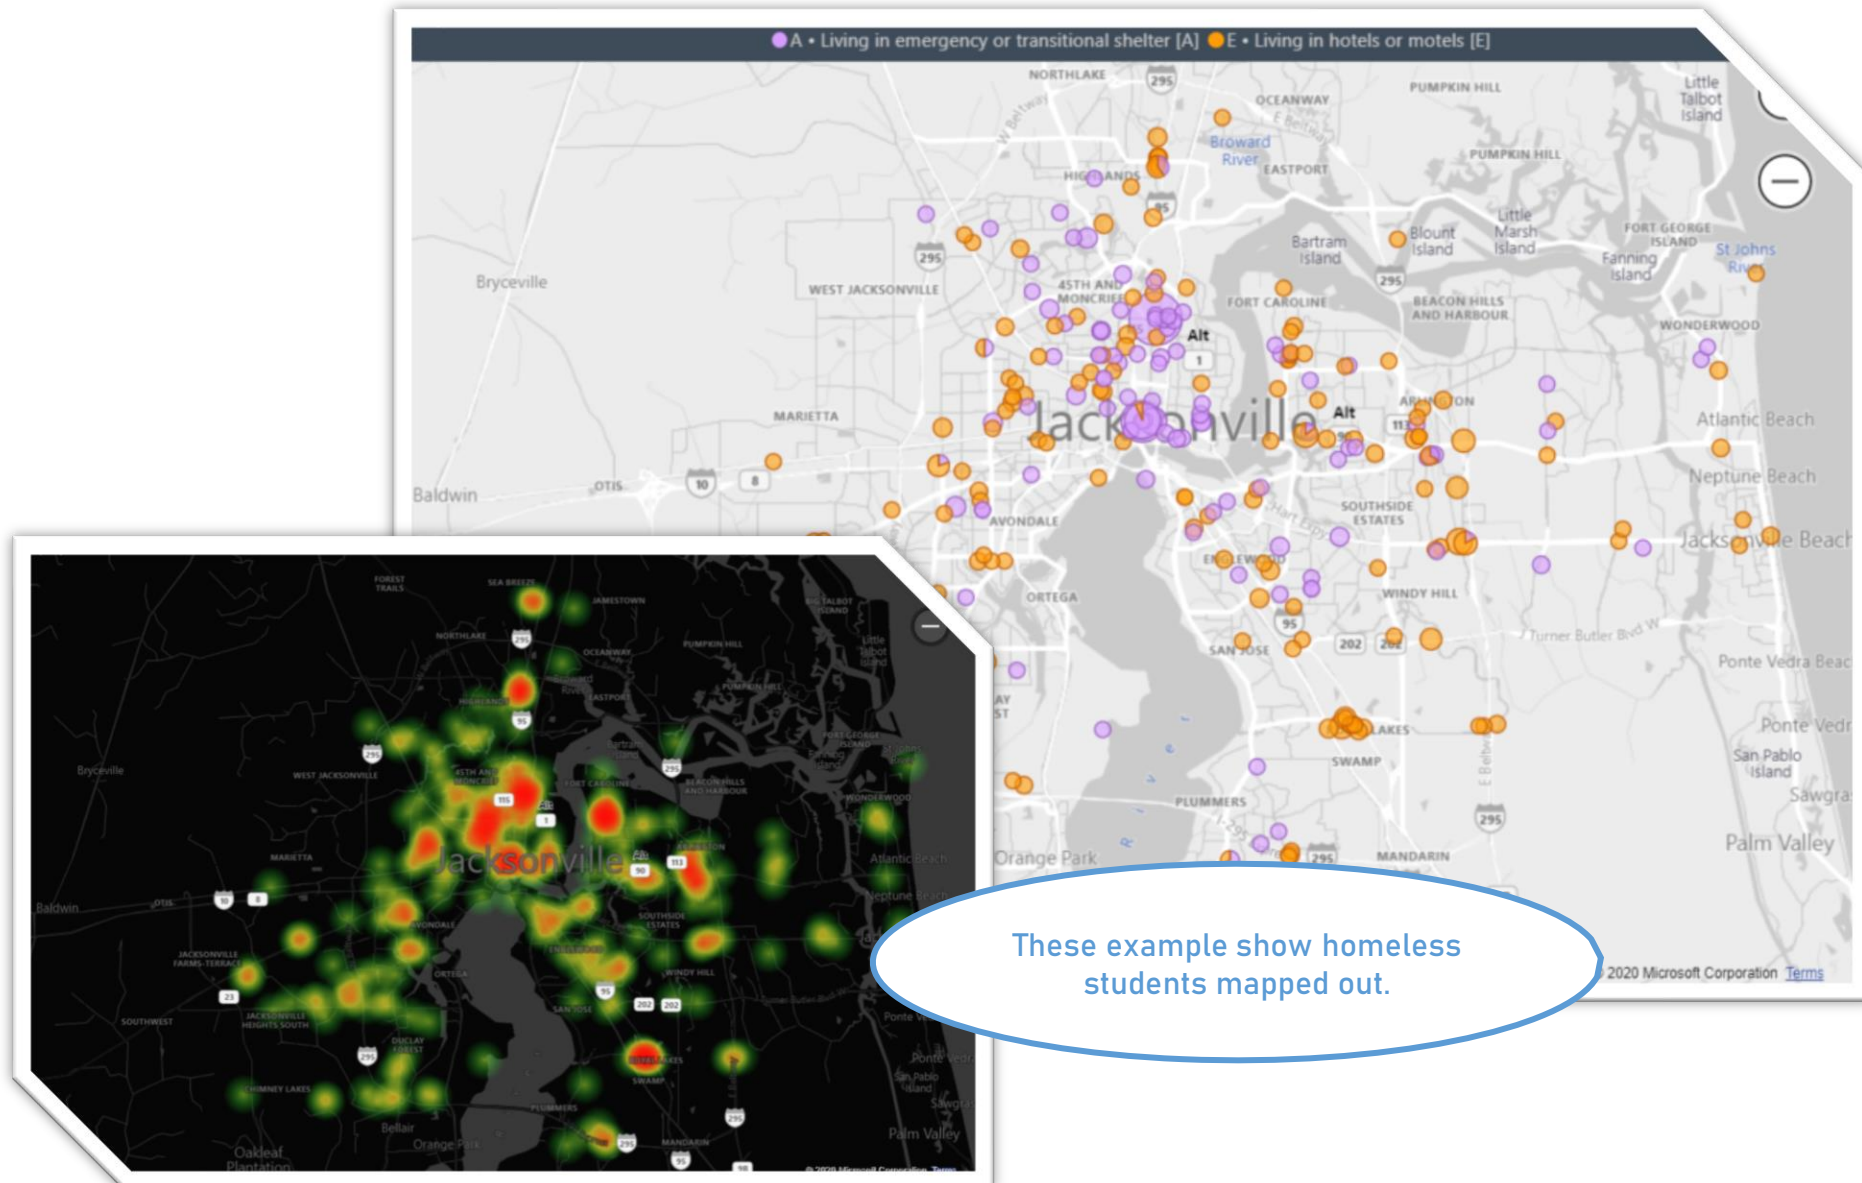

☀️ Analyze your data geographically and see how location influences your data!

☀️ Maps included:

■ Demographics

- Free or Reduced Lunch Status
- Educational Choice
- Disaster Affected
- ELL
- Homeless Student
- Race
- Ethnicity
- Immigrant
- Migrant
- Military Family
- Hazardous Walking

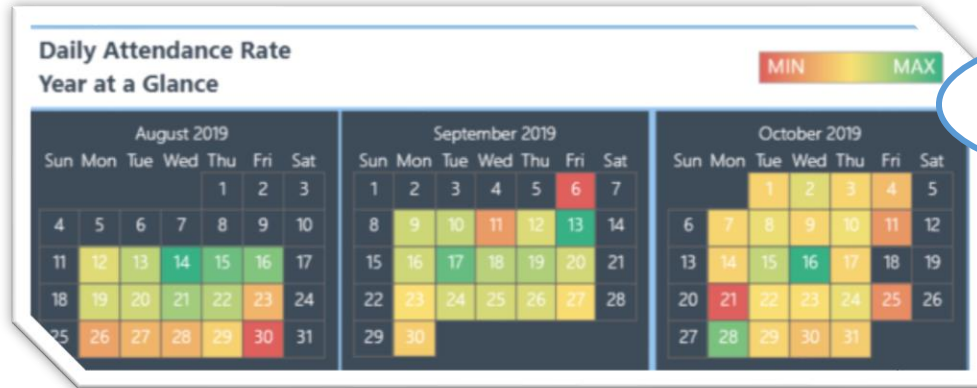

- Absence Rate > 10% or > 15%
- School Enrollment

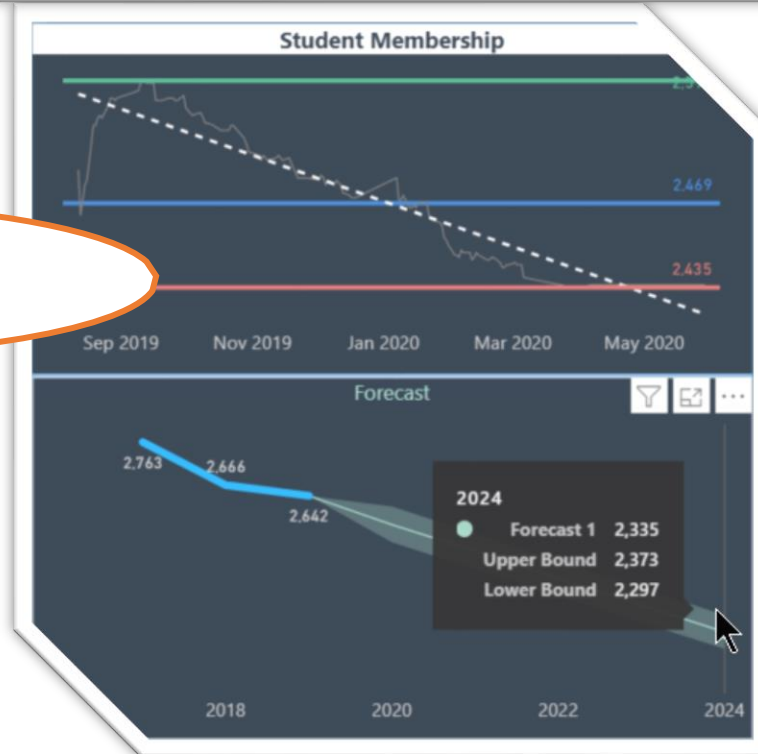

☀ Analyze how your data is changing over time!

☀ Trends included:

- Attendance
- Discipline
- Assessment

Attendance Year at a Glance example

This example shows trends and forecasting for enrollment

Daily Attendance this year

☀ Trending up 0.03% per school day.

Membership since 2016

☀ Trending down 14 students per school year.

Examples of trending insights available.

School Daily Snapshot

☀ Get quick daily insights into attendance, enrollment, and discipline data!
